Thank you for choosing EDUCIRO

This sweet Christmas House Building Set designed for 8+ year old kids. It is a great addition to your holiday display and also is a build you can enjoy with family and friends, or give as a gift for Christmas lovers.

EDUCIRO strives toward higher than required standards to ensure that we not only meet the acceptable limits of compliance, but more often exceed them. We tests every product to ensure **100%** compliance with the entire Consumer Product Safety Improvement Act(CPSIA), American Society of Testing Materials (ASTM), Children's Product Certificate (CPC), EN71, CCC, and manufactured under licences of BSCI, ISO 9001.

STEM education is a multi-discipline approach to teaching that combines science, technology, engineering and math. Currently, most countries have increased their support for STEM education from primary school to university to encourage discussions and problem-solving skills, develop both practical skills and appreciation for collaborations. Our R&D team has been developing MOC building blocks for those who are interested in STEM learning. If you are one of the STEM learners, we would appreciate your further suggestions at support@educiro.com.

EDUCIRO,
a story of toys,
and children.
